RESOLUTIONS

(A) Resolution 1 – Remuneration Report

Board comment

The Board offers the following observations on the Remuneration Report:

- The Board and its Remuneration and Nomination Committee take a balanced view between the need to pay market rates to attract talent, and the financial resources of the Company. In particular, as in the prior year, the Board and the Committee have focussed the remuneration spend on personnel best placed to advance the clinical stage assets of the Company.

As set out in the Notice of Meeting, any member of the Key Management Personnel, together with a Closely Related Party of those members, are excluded from casting a vote on Resolution 1.

Accordingly, the Board abstains from making a recommendation in relation to Resolution 1. The Chair intends to exercise all undirected proxies in favour of Resolution 1.

Background to the Resolution

The Remuneration Report is contained in the “Directors’ Report” section of the Annual Report, a copy of which can be found on the Company’s website, <http://www.kaziatherapeutics.com>.

Publicly listed companies are required to submit their remuneration reports to a vote for adoption at each of their annual general meetings. Whilst the following Resolution is to be determined as an ordinary resolution, it is advisory only and does not bind the Directors or the Company.

This Resolution is advisory only and is not binding on the Company. However, if more than 25% of the votes cast on this Resolution are voted against the adoption of the Remuneration Report, the Remuneration Report for the following year must either address any comments received from Shareholders or explain why no action has been taken in response to those comments. If, at the following annual general meeting of the Company, the Remuneration Report is again voted against by 25% or more of votes cast, a ‘spill resolution’ will be put to Shareholders. If at least 50% of the votes cast are in favour of the ‘spill resolution’, a special meeting of the Company will be held within 90 days at which the Directors in office at the time of the second annual general meeting of the Company must resign and stand for re-election.

At the Company’s 2019 Annual General Meeting for the 2019 Remuneration Report, the votes cast against this Resolution totalled less than 25%, therefore the current “strike” count is zero.

During this item of business, Shareholders will have the opportunity to ask questions about and comment on the Remuneration Report.

(B) Resolution 2 – Re-Election of Bryce Carmine

Background to the Resolution

Clauses 21.1 of the Constitution provides that, amongst other things, a Director must not hold office without re-election for more than 3 years or following the third annual general meeting after that Director last appointment or re-election, whichever is the longer. This mirrors the requirements of Listing Rule 14.4. Clause 21.7 provides that a Director who retires from office under the Constitution will be eligible for re-election to the Board at the meeting at which that Director retires from office.

The length of time a Director has been in office is computed from that Director's last election. Mr Carmine was last re-elected to the Board at the 2017 Annual General Meeting of the Company.

As at the date of this Notice of Meeting, the Board comprised of three Directors who are subject to rotation. The Director longest in office without being re-elected is Bryce Carmine and is therefore required to retire. Being eligible, Mr Carmine offers himself to be re-elected as a Director.

Bryce Carmine credentials

Mr Bryce Carmine spent 36 years working for Eli Lilly & Co. and retired as Executive Vice President for Eli Lilly & Co, and President, Lilly Bio-Medicines. Prior to this he was appointed as Executive Vice President of Global Pharmaceutical Sales and Marketing, an Officer of the company and a member of the company's executive committee. He previously held a series of product development leadership roles culminating when he was named President, Global Pharmaceutical Product Development, with responsibility for the entire late-phase pipeline development across all therapeutic areas for Eli Lilly.

During his career with Lilly, Mr Carmine held several country leadership positions including President Eli Lilly Japan, Managing Dir. Australia/NZ & General Manager of a JV for Lilly in Seoul, Korea. He is currently Chairman and CEO of HaemaLogiX Pty Ltd, a Sydney-based privately owned biotech.

Mr Carmine was appointed as a director of the Company in June 2015 and is considered to be an independent director. He is a member of the Audit, Risk and Governance Committee and Chair of the Remuneration and Nominations Committee.

Board Recommendation

The Directors (Mr Carmine abstaining) recommend that you vote in favour of this Resolution 2.

The Chair intends to exercise all undirected proxies in favour of Resolution 2.

(C) Resolution 3 – Adoption of Employee Share Option Plan

Background to the Resolution

Resolution 3 seeks Shareholder approval for the adoption of an employee incentive scheme titled "Kazia Therapeutics Limited Employee Share Option Plan" (**Plan**) in accordance with Listing Rule 7.2, exception 13(b) and to enable Options and, upon exercise or conversion of those Options, Shares to be issued under the Plan to eligible employees (including Directors) and other persons that the Board determines to be eligible.

Listing Rule 7.1 provides that a company must not (subject to specified exceptions), issue or agree to issue more Equity Securities during any 12 month period than that amount which represents 15% of the number of fully paid ordinary securities on issue at the commencement of that 12 month period.

Listing Rule 7.2, exception 13(b) sets out an exception to Listing Rule 7.1, which provides that issues under an employee incentive scheme are exempt for a period of 3 years from the date on which shareholders approve the issue of Equity Securities under the scheme as an exception to Listing Rule 7.1.

If Resolution 3 is passed, the Company will be able to issue Equity Securities under the Plan to eligible participants over a period of 3 years without impacting on the Company's ability to issue up to 15% of its total ordinary securities without Shareholder approval in any 12 month period (known as the Company's "placement capacity").

If Resolution 3 is not passed, the Company will still be able to issue Equity Securities to employees who are not directors (or otherwise covered by Listing Rule 10.14) but those issues will count towards the Company's 15% placement capacity.

The objective of the Plan is to attract, motivate and retain key employees and it is considered by the Company that the adoption of the Plan and the future issue of Equity Securities under the Plan will provide selected employees with the opportunity to participate in the future growth of the Company.

Any future issue of Equity Securities under the Plan to a related party or person whose relationship with the Company or the related party is, in ASX's opinion, such that approval should be obtained will require additional Shareholder approval under Listing Rule 10.14 at the relevant time.

A summary of the key terms and conditions of the Plan is set out in Schedule 1.

Resolution 3 is an ordinary resolution.

Information required by Listing Rule 7.2

Pursuant to and in accordance with Listing Rule 7.2, exception 13(b), the following information is provided:

- (a) the material terms of the Plan are summarised in Schedule 1;
- (b) this is the first approval sought under Listing Rule 7.2, exception 13(b) with respect to the Plan and therefore no Equity Securities have previously been issued under the Plan;
- (c) the maximum number of Equity Securities proposed to be issued under the Plan within the three year period following Shareholder approval is 10% of the total number of Shares on issue as at the date of the issue of the relevant Equity Securities. This maximum is not intended to be a prediction of the actual number of Equity Securities to be issued under the Plan, but simply a ceiling for the purposes of Listing Rule 7.2, exception 13(b). Once that number is reached, any additional issues of Equity Securities under the Plan would not have the benefit of Listing Rule 7.2, exception 13 without a fresh Shareholder approval; and
- (d) a voting exclusion statement is included in the Notice for Resolution 3.

(D) Resolution 4 – Approval of grant of Options to Dr James Garner

Resolution 4 seeks approval from Shareholders under Listing Rule 10.14 and for all other purposes for the Board to grant 800,000 Options to Dr James Garner, the Chief Executive Officer and Managing Director of the Company, under the Plan.

Background to the Resolution

The broad remuneration policy of the Company is to ensure that the remuneration package of key management personnel reflects their duties and responsibilities and is competitive in attracting, retaining and motivating people of the highest quality. Dr Garner's remuneration package including this award of Options was assessed against those awarded to other publicly listed biotech companies and in consideration to his contributions to the Company.

The non-executive Directors, being all of the Directors other than Dr Garner, believe that the grant of the Options the subject of this Resolution 4 to Dr Garner is an appropriate way to set long term incentive as part of Dr Garner's remuneration package, encouraging a continuous high level of service in future, and aligning his incentive to the improvement of shareholder value.

The Directors believe that Dr Garner has added enormous value to the Company to position it to deliver future value, and hence would like to recognise this with an equity grant.

The Options that will be issued to Dr Garner (subject to Resolution 4 being passed) will vest in four equal portions over a four-year period, with the first tranche vesting on 13 January 2021.

If Resolution 4 is approved, the Company will issue the 800,000 Options to Dr Garner in accordance with this Explanatory Statement. If Resolution 4 is not approved, the Company will not be able to issue the Options and so the Company will need to look to incentivise Dr Garner in other ways.

Please see the summary of the terms and conditions of the Options below for more details.

Chapter 2E of the Corporations Act

Chapter 2E of the Corporations Act provides that a public company must not, without the approval of the company's members, give a financial benefit to a related party, unless it falls within a specified exception in the Corporations Act.

Dr Garner is a related party of the Company for the purposes of section 228(2) of the Corporations Act as he is a Director. Therefore, the grant of Options the subject of this Resolution 4 will constitute the giving of a financial benefit to a related party for the purposes of section 229(3)(e) of the Corporations Act.

Section 211 of the Corporations Act provides an exemption to the restrictions in Chapter 2E of the Corporations Act on the giving of financial benefits to related parties, if the financial benefit is remuneration to an officer or employee of a public company and the remuneration is reasonable given the circumstances of the public company and the officer or employee (including the responsibilities involved in the office or employment).

It is the view of the Board that the terms of the financial benefit, being the grant of Options the subject of this Resolution 4, in conjunction with other components of Dr Garner's remuneration, comprises reasonable remuneration having regard to the Company's and Dr Garner's circumstances (including his responsibilities as Chief Executive Officer and Managing Director), and would therefore fall within an exemption set out in section 211 of the Corporations Act. The Options the subject of Resolution 4 will (if this Resolution is approved) be granted to Dr Garner for the sole purpose of remunerating him for his services as the Chief Executive Officer and Managing Director of the Company.

Terms and Conditions of the Options

Each Option will be issued to Dr James Garner on the following terms and conditions:

- (f) the use of Options is to align Director remuneration with the creation of Shareholder value as the Options to be granted to each of Dr Garner (and therefore the potential issuance of Shares) is linked to the performance of the Company. In addition, in order for the Company to attract and retain quality Directors, the issuance of Options forms part of a desirable remuneration package;
- (g) the Company values each Option at \$0.63, as determined by a Black-Scholes valuation having regard to the underlying Share price, risk free interest rate and volatility of the underlying Share price. - (m) a voting exclusion statement is included in the Notice for Resolution 4.

Board recommendation

The Directors (other than Dr Garner) do not have an interest in the outcome of the Resolution and recommend that Shareholders vote in favour of Resolution 4 for the following reasons:

- (a) the Options are considered by the Directors to provide a cost-effective means of giving an incentive to Dr Garner to advance the Company's interests in accordance with the directions given from time to time by the Board; and
- (b) the number of Options to be issued is considered to be in line with the number issued to CEOs of similar companies.

Dr Garner, who stands to gain personally from the grant of the Options, declines to make any recommendation in relation to Shareholders' consideration of the Resolution.

Note: Shareholders' approval for the Resolution is being sought pursuant to Listing Rule 10.14 for the grant of 800,000 Options. Consequently, in accordance with Listing Rule 7.2 (Exception 14), Shareholder approval under Listing Rule 7.1 is not required for the grant of these Options. In addition, in accordance with Listing Rule 7.2 (Exception 9), Shareholder approval under Listing Rule 7.1 will not be required for the issue of any Shares issued pursuant to the exercise of the Options.

(E) Resolutions 5 to 7 (inclusive) – Approval of grant of Options to Non-executive directors

Resolutions 5 to 7 (inclusive) seek approval from Shareholders under Listing Rule 10.14 and for all other purposes for the Board to grant 1,200,000 Options equally to the following persons, collectively termed “the non-executive Directors”:

- Iain Ross: Chairman and independent non-executive director
- Bryce Carmine: independent non-executive director
- Steven Coffey: independent non-executive director

under the Plan.

Background to the Resolution

The non-executive Directors agreed to reduce their fees during the 2017 financial year, at the same time that the Board size was reduced from five non-executive directors to the current three. Their directors' fees have not increased since that time, despite the additional workload necessitated by the reduced number of non-executive Directors. Now that the Company is near the commencement of its pivotal study for paxalisib in glioblastoma, the Directors are of the view that a grant of Options is warranted as a reflection of the service rendered to the Company over the past three years and in the context of increasing complexity as the Company approaches the future commercialisation opportunities and choices. The Options will be issued at a premium to the current Share price, have a four year life and will vest over a 2 year period, and hence the Options, while reflecting past service, also align the Directors' interests with those of Shareholders.

ASX Listing Rules

Listing Rule 10.14 provides that an entity must not permit any of the following persons to acquire Equity Securities under an employee incentive scheme without the approval of the holders of its ordinary securities:

- (a) a director of the entity;
- (b) an associate of a director of the entity; or
- (c) a person whose relation with the entity or person referred to in (a) or (b) above is such that, in ASX's opinion, approval should be obtained.³

Resolutions 5 to 7 (inclusive) seeks Shareholder approval, pursuant to Listing Rule 10.14, for the proposed grant of Options to Messrs Ross, Carmine and Coffey, who are Directors, under the Plan.

If one of more of Resolutions 5 to 7 is approved, the Company will issue the relevant Options to Messrs Ross, Carmine and Coffey, respectively, in accordance with this Explanatory Statement. If one of more of Resolutions 5 to 7 is not approved, the Company will not be able to issue the Options to the relevant non-executive Director.

As Shareholder approval is sought under Listing Rule 10.14, approval under Listing Rule 7.1 is not required. Accordingly, the grant of Options to Messrs Ross, Carmine and Coffey pursuant to Resolutions 5 to 7 (inclusive) will not reduce the Company's 15% capacity for the purposes of Listing Rule 7.1.

Chapter 2E of the Corporations Act

Chapter 2E of the Corporations Act provides that a public company must not, without the approval of the company's members, give a financial benefit to a related party, unless it falls within a specified exception in the Corporations Act.

Messrs Ross, Carmine and Coffey are related parties of the Company for the purposes of section 228(2) of the Corporations Act as they are Directors. Therefore, the grant of Options the subject of Resolutions 5 to 7 (inclusive) will constitute the giving of a financial benefit to related parties for the purposes of section 229(3)(e) of the Corporations Act.

Section 211 of the Corporations Act provides an exemption to the restrictions in Chapter 2E on the giving of financial benefits to related parties, if the financial benefit is remuneration to an officer or employee of a public company and the remuneration is reasonable given the circumstances of the public company and the officer or employee (including the responsibilities involved in the office or employment).

It is the view of the Board that the terms of the financial benefit, being the grant of Options the subject of Resolutions 5 to 7 (inclusive), in conjunction with other components of the non-executive Directors' remuneration, comprises reasonable remuneration having regard to the Company's and the non-executive Directors' circumstances and responsibilities, and would therefore fall within an exemption set out in section 211 of the Corporations Act. The Options the subject of Resolutions 5 to 7 (inclusive) will (if these Resolutions are approved) be granted to Messrs Ross, Carmine and Coffey for the sole purpose of remunerating them for their services as non-executive directors of the Company.

Terms and Conditions of the Options

Each Option will be issued to the non-executive directors on the following terms and conditions:

Amount payable for each Option	The Options will be granted for nil consideration.
Exercise Price	The Exercise Price for the Options will be calculated on the basis of a 43% premium to the 5-day VWAP of the Company's ordinary shares prior to the date of the grant of the Options.
Quotation of Shares issued on exercise	Upon exercise of any of the Options, the Company will apply for quotation of the Shares issued as a result of the exercise, subject to any restrictions imposed by the ASX.
Vesting Dates and Vesting Conditions	<p>The Options will vest and be exercisable as follows – in respect of each of the grantees:</p> <ol style="list-style-type: none">1) 100,000 Options to vest on 1 January 2021;2) 100,000 Options to vest on 1 July 2021;3) 100,000 Options to vest on 1 January 2022; and4) 100,000 Options to vest on 1 July 2022. <p>The Options will vest in accordance with the terms of the ESOP.</p>
Option Period	Once vested, Options may be exercised at any time up to 5.00pm (Sydney time) on 13 November 2024. Options which are not exercised during the Option Period will automatically lapse and be cancelled.

Specific information required by Listing Rule 10.15

Listing Rule 10.15 requires that the following information be provided to Shareholders:

- (a) the Options will be granted to Ian Ross, Bryce Carmine and Steven Coffey, who are non-executive Directors;
- (b) the total of 1,200,000 Options will be granted in equal proportions to Messrs Ross, Carmine and Coffey (i.e. 400,000 Options each), with a total of 1,200,000 Shares to be issued if all Options are exercised;
- (c) the non-executive Directors' remuneration arrangements for FY2021 are as follows:

Director	Base Fee	Committee Fee
Iain Ross	\$150,000	Nil
Bryce Carmine	\$85,000	Nil
Steven Coffey	\$85,000	Nil

- (d) as the Plan is being approved for the first time pursuant to Resolution 3, no person has previously been issued Equity Securities under the Plan;
- (e) the Options have an exercise price which will be calculated at issue date as a 43% premium to the 5-day VWAP, will vest in four equal tranches in 6-monthly intervals from 1 January 2021 and expire on 13 November 2024. A summary of the other material terms of the Options is set out above;
- (f) the use of Options is to align Director remuneration with the creation of Shareholder value as the Options to be granted to each of Messrs Ross, Carmine and Coffey (and therefore the potential issuance of Shares) is linked to the performance of the Company. In addition, in order for the Company to attract and retain quality Directors, the issuance of Options forms part of a desirable remuneration package;
- (g) the Company values each Option at \$0.54, as determined by a Black-Scholes valuation having regard to the underlying Share price, risk free interest rate and volatility of the underlying Share price. As a result, the Company ascribes a total value of A\$648,000 to the 1,200,000 Options to be issued;
- (h) the allotment and issue of the Options will occur as soon as practicable after the Meeting, but in any event no later than three years after the Meeting;
- (i) the Options will be issued for nil consideration;
- (j) a summary of the material terms of the Plan is set out in Schedule 1;
- (k) there is no loan in relation to the proposed issue of Options to Messrs Ross, Carmine and Coffey;
- (l) details of any securities issued under the Plan will be published in the Company's annual report relating to the period in which they were issued, along with a statement that approval for the issue was obtained under Listing Rule 10.14.

Any additional persons covered by Listing Rule 10.14 who become entitled to participate in an issue of securities under the Plan after the Resolutions are approved and who were not named in the Notice will not participate until approval is obtained under that rule; and

- (m) a voting exclusion statement is included in the Notice for Resolutions 5 to 7 (inclusive).

Board recommendation

Dr Garner does not have an interest in the outcome of the Resolution and recommends that Shareholders vote in favour of Resolutions 5 to 7 (inclusive).

Messrs Ross, Carmine and Coffey, who stand to gain personally from the grant of the Options, decline to make any recommendation in relation to Shareholders' consideration of the Resolutions.

Note: Shareholder approval for Resolutions 5 to 7 (inclusive) is being sought pursuant to Listing Rule 10.14 for the grant of 1,200,000 Options. Consequently, in accordance with Listing Rule 7.2 (Exception 14), Shareholder approval under Listing Rule 7.1 is not required for the grant of these Options. In addition, in accordance with Listing Rule 7.2 (Exception 9), Shareholder approval under Listing Rule 7.1 will not be required for the issue of any Shares issued pursuant to the exercise of the Options.

(F) Resolution 8 – Ratification of prior issue of Placement Shares

Background to the Resolution

On 8 April 2020, the Company announced that it had conducted a placement to institutional investors (**Placement**) The Company issued 18,041,667 Shares each at an issue price of \$0.40 to professional and sophisticated investors on 17 April 2020 under the Placement (**Placement Shares**). None of the subscribers under the Placement were related parties or associates of related parties of the Company.

Listing Rule 7.1 provides that, subject to certain exceptions, the Company is only entitled to issue Equity Securities up to 15% of its issued ordinary securities on issue through placements during any 12-month period, without needing prior Shareholder approval (**15% Placement Capacity**).

Listing Rule 7.4 provides that if the Company in general meeting ratifies the previous issue of Equity Securities made pursuant to Listing Rule 7.1 (and provided the previous issue did not breach Listing Rule 7.1) those Equity Securities will be deemed to have been made with Shareholder approval for the purposes of Listing Rule 7.1.

By ratifying the issue of the Placement Shares, the subject of Resolution 8, the Company will retain maximum flexibility to issue Equity Securities in the future up to the 15% annual placement capacity set out in Listing Rule 7.1 without the requirement to obtain prior Shareholder approval.

If Resolution 8 is not approved, the Placement Shares will be included in the Company's 15% placement capacity, effectively decreasing to zero the number of Equity Securities it can issue without Shareholder approval until April 2021, unless an exemption applies.

Resolution 8 is an ordinary resolution.

Specific information required by Listing Rule 7.5

Listing Rule 7.5 requires that the following information be provided to Shareholders:

- (a) 18,041,667 Shares were issued on 17 April 2020 to qualified professional, sophisticated and institutional investors in Australia and internationally identified by the Company, who are not related parties or associates of related parties of the Company;
- (b) the Placement Shares were issued as fully paid ordinary shares and rank equally in all respects with the Company's existing Shares on issue;
- (c) the issue price of the Placement Shares was \$0.40 per Share;
- (d) the funds raised from the issue of the Placement Shares are being used to (i) progress the paxalisib Phase II clinical trial and to complete analysis of the ongoing Phase I study of Cantrixil, (ii) to continue to provide contributory funding towards four other trials, (iii) to contribute to set-up of the Company's planned pivotal study in paxalisib (GBM AGILE), and (iv) working capital; and
- (e) a voting exclusion statement is included in the Notice for Resolution 8.

Board recommendation

The Directors recommend that you vote in favour of this Resolution 8.

The Chair intends to exercise all undirected proxies in favour of Resolution 8.

(G) Resolution 9 – Increase In the maximum amount allowable for Non-Executive Directors' Fees

In accordance with Listing Rule 10.17, the Company must not increase the total amount of non-executive Directors' fees payable by it and any of its child entities without the approval of holders of its ordinary securities.

Listing Rule 10.17 also provides that the Notice must include the amount of the increase, the maximum amount that may be paid to the Directors as a whole, and a voting exclusion statement.

Resolution 9 seeks Shareholder approval for increasing the aggregate amount of fees available to be paid to non-executive Directors by \$140,000 from the current \$560,000 per annum, to an aggregate amount of \$700,000 per annum.

The Board considers that it is reasonable and appropriate at this time to seek an increase in the remuneration pool for non-executive Directors for the following reasons:

- (a) non-executive Directors fees may in the future need to be increased to retain Directors;
- (b) to attract additional Directors of a calibre required to effectively guide and monitor the business of the Company; and
- (c) to remunerate Directors appropriate for the expectations placed upon them by both the Company and the regulatory environment in which it operates.

The maximum aggregate fees payable to Directors has not been increased since the current cap was approved at the 2005 AGM.

This proposed level of permitted fees does not mean that the Company must pay the entire amount approved as fees in each year. However, the Board considers that it is reasonable and appropriate to establish this amount as this will provide the Company with the flexibility to attract appropriately qualified additional non-executive Directors and to act quickly if the circumstances require it.

The remuneration of each Director for the year ended 30 June 2020 is detailed in the Annual Report.

As at the date of this Notice no securities have been issued to non-executive Directors under listing rule 10.11 or 10.14 in the preceding 3 years.

A voting exclusion statement is included in the Notice.

If the Chair is appointed as your proxy and you have not specified the way the Chair is to vote on Resolution 9, by signing and returning the proxy form, you are considered to have provided the Chair with an express authorisation for the Chair to vote the proxy in accordance with the Chair's intention, even though the Resolution is connected directly or indirectly with the remuneration of a member of the Key Management Personnel.

(H) Resolution 10 - Approval of Additional Placement Capacity.

Background to the Resolution

Resolution 10 seeks Shareholder approval to permit the Company to issue an additional 10% of its issued capital over a 12-month period in accordance with Listing Rule 7.1A.

Under Listing Rule 7.1, the Company may issue Equity Securities equal to up to 15% of its issued capital in any 12-month period without seeking Shareholder approval. In addition, under Listing Rule 7.1A, eligible entities may seek shareholder approval to issue further Equity Securities up to 10% of the issued capital of the entity within the 12 months from approval being granted, in addition to the 15% capacity under Listing Rule 7.1 (**Additional Placement Capacity**).

An entity is eligible to seek Additional Placement Capacity if it is not included in the S&P/ASX300 index and has a market capitalisation of \$300 million or less. As the Company satisfies these requirements as at the date of this Notice, it is eligible to seek Shareholder approval for Additional Placement Capacity. For illustrative purposes, the Company's market capitalisation was approximately \$93.7 million based on a closing price of \$0.99 per Share on 15 September 2020.

The Company desires to maintain flexibility to respond promptly to maximise opportunities afforded by capital markets, and to do this the Company again seeks approval from Shareholders for the Additional Placement Capacity. The most likely use of this increased capacity would be to take advantage of an opportunity to raise additional funds to apply to the progression of our lead candidates, GDC 0084 and Cantrixil, through clinical trials.

Resolution **Error! Reference source not found.** is a special resolution. Accordingly, at least 75% of the votes cast by Shareholders present and entitled to vote must be cast in favour of the Resolution for it to be passed.

The Directors believe that Resolution **Error! Reference source not found.** is in the best interests of the Company and unanimously recommend that Shareholders vote in favour of this Resolution **Error! Reference source not found.**

The Chair intends to exercise all undirected proxies in favour of Resolution **Error! Reference source not found.**

Description of Listing Rule 7.1A

The number of Equity Securities that may be issued (if this resolution **Error! Reference source not found.** is passed) will be determined in accordance with the following formula as prescribed in Listing Rule 7.1A.2:

$$\text{Additional Placement Capacity} = (\mathbf{A} \times \mathbf{D}) - \mathbf{E}$$

where:

A is the number of fully paid ordinary securities on issue 12 months before the date of issue or agreement to issue:

- (a) plus the number of fully paid ordinary securities issued in the 12 months under an exception in Listing Rule 7.2 other than exception 9, 16 or 17;
- (b) plus the number of fully paid ordinary securities issued in the 12 months on the conversion of convertible securities within Listing rule 7.2 exception 9 where (i) the convertible securities were issued or agreed to be issued before the commencement of the relevant period or (ii) the issue of, or agreement to issue, the convertible securities was approved or taken under the Listing rules to have been approved, under Listing Rules 7.1 or 7.4.

- (c) plus the number of partly paid ordinary securities that became fully paid in the 12 months under Listing Rule 7.2 exception 16 where (i) the agreement was entered into before the commencement of the 12 month period or (ii) the agreement or issue was approved, or taken under the Listing Rules to have been approved, under Listing Rules 7.1 or 7.4;
- (d) plus the number of any other fully paid ordinary securities issued in the 12 months with approval under Listing Rule 7.1 or 7.4;
- (e) plus the number of fully paid ordinary securities that become fully paid in the 12 months,
- (d) less the number of fully paid ordinary securities cancelled in the 12 months.

D is 10%

E is the number of Equity Securities issued or agreed to be issued under Listing Rule 7.1A.2 in the 12 months where the issue or agreement has not been subsequently approved by holders of ordinary securities under Listing Rules 7.1 or 7.4.

The effect of Resolution 10 will be to allow the Directors to issue the Equity Securities under the Additional Placement Capacity in addition to the Company's 15% placement capacity under Listing Rule 7.1. It should be noted that the Company issued 7,216,667 shares under the Listing Rule 7.1 temporary Class Waiver on 17 April 2020. The consequence of this is that the number of shares which could be issued under the Additional Placement Capacity approved by Resolution 11 will be reduced by 7,216,667 until 16 April 2021.

Specific information required by Listing Rule 7.3A

Pursuant to and in accordance with Listing Rule 7.3A, information is provided in relation to the approval of the Additional Placement Capacity as follows:

Purposes for which the Equity Securities may be issued	<p>The Company intends that funds raised from the issue of any Equity Securities under the Additional Placement Capacity be applied for</p>

	<p>advancing the Company's key assets, paxalisib and Cantrixil, through clinical trials.</p> <p>The specific purposes for which any particular issue is made under the Additional Placement Capacity will be disclosed by way of an ASX announcement at the time of the issue. The Company will comply with the disclosure obligations under Listing Rules 7.1A.4 and 3.10.5A upon issue of any Equity Securities under the Additional Placement Capacity.</p>
<p>Risk of economic and voting dilution</p>	<p>An issue of Equity Securities under Listing Rule 7.1A involves the risk of economic and voting dilution for existing ordinary Shareholders. The risks include:</p> <ul style="list-style-type: none"> (a) the market price for shares may be significantly lower on the issue date than on the date of the approval under Listing Rule 7.1A; and (b) the Equity Securities may be issued at a price that is at a discount to the market price for the shares on the issue date. In accordance with Listing Rule 7.3A.2, a table describing the notional possible dilution, based upon various assumptions as stated, is set out below.
<p>Details of the Company's allocation policy for issues under approval</p>	<p>The Company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue under the Additional Placement Capacity. The identity of the allottees of Equity Securities under the Additional Placement Capacity will be determined on a case-by-case basis having regard to the factors including but not limited to the following:</p> <ul style="list-style-type: none"> (a) the methods of raising funds that are available to the Company, including but not limited to, issues in which existing security holders can participate; (b) the effect of the issue of Equity Securities on the control of the Company; (c) the financial situation and solvency of the Company; and (d) advice from corporate, financial and broking advisers (if applicable). <p>The allottees under the Additional Placement Capacity have not been determined as at the date of this Notice but may include existing Shareholders and/or new Shareholders who are not related parties or associates of a related party of the Company.</p> <p>Further, if the Company is successful in acquiring new intellectual property assets or investments, it is possible that the allottees under the Additional Placement Capacity will be the vendors of the new intellectual property assets or investments.</p>
<p>Previous approvals under Listing Rule 7.1A</p>	<p>Approval was sought and obtained for the purposes of Listing Rule 7.1A at the 2019 Annual General Meeting. 750,000 Equity Securities were issued under Listing Rule 7.1A in the 12 months preceding the date of the Meeting. In addition, the Company issued 7,216,667 shares under the Listing Rule 7.1 temporary Class Waiver within the prior 12-month period.</p>

The table below shows the dilution of existing Shareholders on the basis of the current market price of Shares and the current number of Shares for variable "A" calculated under the formula set out in Listing Rule 7.1A.2 as at the date of this Notice of Meeting.

The table shows two examples where variable “A” has increased, by 50% and 100%. Variable “A” is based on the number of Shares the Company has on issue as at the date of the Notice of Meeting. The number of Shares on issue may increase as a result of issues of Shares that do not require Shareholder approval (for example, a pro rata entitlement issue or scrip issued under a takeover offer) or as a result of future specific placements under Listing Rule 7.1 that are approved at future Shareholder meetings

The table also shows two examples where the issue price of Shares has decreased by 50% and increased by 100% as against the current market price of the Company’s Shares.

Variable		Dilution		
		50% decrease	Issue Price	100% increase
		\$0.50	\$0.99	\$1.98
Current variable A	Shares issued (10% voting dilution)	9,462,337	9,462,337	9,462,337
94,623,369				
Shares	Funds raised	\$4,683,856.77	\$9,367,713.53	\$18,735,427.06

141,935,054				
Shares	Funds raised	\$7,025,785.15	\$14,051,570.30	\$28,103,140.59
“A” is a 100% increase to	Shares issued (10% voting dilution)	18,924,674	18,924,674	18,924,674
189,246,738				
Shares	Funds raised	\$9,367,713.53	\$18,735,427.06	\$37,470,854.12

*Note: Current Variable A refers to the calculation required by Listing Rule 7.1A.2 which, in the Company’s case, equates to the current number of Shares on issue.

The table above has been prepared on the following assumptions:

- (a) Resolution 11 is passed by Shareholders;
- (b) the Company issues the maximum number of Shares available under the Additional Placement Capacity;
- (c) no convertible securities convert into Shares before the date of the issue of the Shares available under the Additional Placement Capacity;
- (d) the 10% voting dilution reflects the aggregate percentage dilution against the issued Share capital at the time of issue (which is why the voting dilution is shown in each example as 10%);
- (e) the table does not show an example of dilution that may be caused to a particular Shareholder by reason of a Share issue under the Additional Placement Capacity, based on that Shareholder’s holding at the date of the Annual General Meeting;
- (f) the table shows only the effect of issues of Equity Securities under the Additional Placement Capacity, not under the Company’s 15% placement capacity under Listing Rule 7.1;
- (g) the Company has not issued any Equity Securities in the 12 months prior to the Meeting that were not issued under an exception in Listing Rule 7.2, with approval under Listing Rule 7.1 or ratified under Listing Rule 7.4;
- (h) the issue of Equity Securities under the Additional Placement Capacity consists only of ordinary Shares in the Company; and
- (i) the issue price is AUD \$0.99 per Share, being the closing price of Shares on ASX on Tuesday 15 September 2020.
